[CLICK FOR THE CURRENT ATTENDEE LIST](#)

At the previous SteelOrbis and IREPAS Conference last fall on October 9-11, 2022, there were 108 producer representatives from 40 different companies among

407 registered delegates from a total of 48 different countries.

There were also 69 registrations representing 43 different raw material suppliers.

Join the gathering of the world long steel market in Barcelona!

SteelOrbis is excited to announce that the first gathering of SteelOrbis and IREPAS in 2023 will be held at the **InterContinental Barcelona on May 7-9.**

While gathering its members and participants together at **the world's number one event for long steel products** and creating unique networking opportunities, the SteelOrbis and IREPAS Conference will also offer you the chance to listen to informative presentations about the latest developments in the markets!
